Dinosaur Tracks
Step back in time and see some dinosaur tracks left in a sandstone bed. This is a great outdoor experience for the family. There is no fee, but tips are encouraged to the tour guides.

No fee or permit required.

Coal Mine Canyon
Located approx. 23 miles east of Tuba City is a scenic colorful canyon. The views are stunning, perfect for taking photos andpartaking in a picnic. There are no designated trails or fee’s.

No fee or permit required.

Chaco Canyon, New Mexico
Chaco Canyon National Historical Park
This park reveals the unique architectural, scientific, and social achievements of a civilization that flourished between the 9th and 13th centuries. For a deeper contact with the canyon that was central to thousands of people between 850 and 1250 A.D., come and explore Chaco through guided tours, hiking & biking trails, evening campfire talks, and night sky programs.

There is an available campground – Gallo Campground. Open year-round, except Thanksgiving, Christmas, and New Years Day. Cost: $15 per night.

You can view the space availability at: www.recreation.gov – search for ‘Gallo Campground.’

Admission:
$25 per vehicle (valid for 7 days)

For more information: www.nps.gov/chcu/index.htm
(505) 786-7014
Service Road 7950, Becenti, New Mexico

Per Navajo Nation Laws & Policies –
• No scattering of “ashes” or cremains allowed.
• No Commercial Photography allowed without proper permits from Navajo Nation - Office of Boulevard Services, Ph. (520) 871-7826.
• No drone photography or video is allowed.
• No firearms allowed.
• No alcohol beverages or drugs are allowed.
• No camping is allowed during Prohibition resticted period.
• Climbing of any rock formations is strictly prohibited.

Bisti Badlands
This surreal, barren landscape of wonderful strange shapes made from eroded rock of hoodoos, arches, and slot canyons. To take in the entire experience, book a tour guide to take you around the wilderness. Approx. 36 miles south of Farmington, NM on Highway 371 and Navajo Service Route 9 – on Road 7297.

For more information:
www.blm.gov/visit/bisti-de-na-zin-wilderness
(505) 564-7600
Road 7297, Becenti, New Mexico
No tour guide required. No fee or permit required.

Bisti/De-Na-Zin Wilderness

SHIPROCK, NEW MEXICO
Shiprock Peak
Another one of the widely known natural rock formations found on the Navajo reservation – ‘Ted Bit’a’ – or “Reck with Wings” is a sacred formation, and is included in many Navajo stories.

The peak rises 1,583 feet above the desert. Located 15 miles southwest of the town, Shiprock, on Indian Route 13, approx. 7 miles west from Highway 491.

No tour guide required. No fee or permit required.

Please stay on the paved road on Indian Route 23 – no entrance onto the dirt road is allowed, climbing the peak or the surrounding rocks is prohibited.

MONUMENT VALLEY, ARIZONA
Monument Valley Navajo Tribal Park
Tribal Park
One of the world’s most widely-recognized landscapes offers awe-inspiring vistas that will take your breath away. Strangely beautiful, red sandstone formations reach upward into spectacular open skies.

Contact the Monument Valley Navajo Tribal Park for information about Jeep tours, hiking tours, photography expeditions and overnight accommodations.

Admission: $20 per vehicle (up to 4 people). $6/person after.

For more information: www.navajonationparks.org
Ph. (435) 727-5870
Main Monument Valley Road, Monument Valley, Arizona
Paid Tour Guide Required.

TORNALEA, ARIZONA
Elephant Feet Formation
This surprising rock formation is right off U.S. Highway 160, about 25 miles east of Tuba City. Pull off the road and snap a few pics! Just lower your cameras’ frame a tad to show only the rock formation and have a buddy or your family pose in front of it.

No tour guide required. No fee or permit required.

LEUPE, ARIZONA
Grand Falls
A surprise natural waterfall in the desert, also known as “Chocolate Falls,” due to its dense pigmented color from its flow along the sandy streambeds. Grand Falls is found along the Little Colorado River route. This natural phenomenon occurs only during the monsoon or seasonal snow melts collected from Mount Baldy, located approx. 180 miles southeast of Grand Falls.

No tour guide required. No fee or permit required.

LEUPP, ARIZONA
Antelope Canyon
Walk through spectacular grooved corridors, carved by wind and rain over the millennia and bathed each day in a wonder of light show! Book a tour guide to take you to places in Antelope Canyon that are only accessible by tour guides.

Paid Tour Guide Required.

Antelope Point Marina
Located 9 miles northeast of Page, Arizona on Highway N22 on a 600-acre property is one of the most beautiful and tranquil viewing areas in Antelope Canyon.

No fee or permit required.

**Welcome to Navajoland!**

Spanning more than 27,000 square miles across southeastern Utah, northwestern New Mexico and northeastern Arizona - the Navajo Nation features breathtaking landscapes, action and adventure, a rich history, and the proud culture of North America’s largest indigenous tribe.

Established by a United States Treaty in 1868, the Navajo Nation is managed as a sovereign country through agreements with the United States Congress. More than 250,000 people live within the Navajo Nation’s borders, blending traditions with modern elements to create a vital society that continues to evolve in fascinating ways.

As a tourist destination, the Navajo Nation offers something for everyone. Ride through Monument Valley on horseback. Stay for a week on a houseboat on Lake Powell. Collect amazing artwork – from symbolic handwoven rugs, baskets, pottery to exquisite turquoise and silver jewelry!

Make plans today to embrace the spectacular history and stunning vistas of the Navajo Nation!
